Chipping YFC

Are you in your teens/early twenties, living in the Chipping area & thinking there must be more to life than sitting in on Monday nights making 'small talk with the old folk'?

Well, make your excuses now & get yourselves to St. Mary's Community Centre weekly at 7:45pm where soon you'll find that not only are your Mondays occupied but a social life will abound at weekends too, along with Competitions during the week which are great confidence boosters like Public Speaking, Debating and Quiz Nights.

Run by the members, for the members, you set your own programme of visits/talks or sporting events with guidance from our Leaders and can join in the many and varied fun events arranged by Lancashire County for all young farmers in the area.

You don't have to own a pair of wellies to join us – in fact a bikini may be more useful for the annual Foam Party but whatever your interests, there is always an event/competition to suit or if not then have a go at something you've never done before – just for a laugh!

We have a new programme of events planned from September and further details are available from Lucy Dickinson, tel 07845 099878. Also see our column in the Longridge News.

Class 2 – A flower arrangement displayed in a welly

Class 3 – Victoria Sponge

Class 4 – An object made from rough wood

Set in the picturesque village of Chipping Leagram Dairy produces a large selection of traditionally hand made cheeses, using local milk. We make traditional territorial's using organic cow's milk, a large selection of cheeses such as Lancashire with Cranberries, Garlic, Apple or Marmite and sheep and goat milk hard and soft cheeses.

You can find us in the food tent on show day or come and see us at the dairy where we have a small museum and viewing windows so you can see how cheese used to be made and how it is made today. **Come and take in The Cheese Experience** and let your taste buds come alive.
